Thursday 5:00pm - 9:00pm

Friday 4:30pm - 8:30pm

Saturday 8:00am - 12:00pm

I tried really hard to take all factors (new CMS bell schedules, ages, staff, etc.) when putting this schedule together. I realize that there may be kids late getting to practice from school. We will work to get them going quickly when they arrive. In addition, if your daughter is young and you see some issues with times being later this fall, please communicate that to the coaching staff. I would rather you pull your daughter early than her become overly exhausted.
