We, the staff of International Sports Center recognize our obligation to make our students and their parents aware of the risks and hazards associated with the sport of gymnastics, tumbling, and cheerleading. Students may suffer injuries, possibly minor, serious or catastrophic (paralysis or even death) in nature. Gymnastics, Tumbling, and Cheerleading can be dangerous and can lead to injury!!

Parents should make their children aware of the possibility of injury and encourage their children to follow all the safety **rules and the coaches' instructions.**

I also affirm that I now have and will continue to provide proper hospitalization, health and accident insurance coverage, which I consider adequate for both my child's protection and my own protection.

I also understand that it is the parents' responsibility to warn the child according to what the parent feels is appropriate. International Sports Center will only warn the child through "Safety Messages", our teaching style and progressions.
